

## **Staff Meeting**

- Thank you and introduce yourself as an Al-Anon member, not a professional.
- What Al-Anon is using your elevator talk.
- Share your story. Because of the short time frame, this is basically the 3 sentence story you created in the breakout session - maybe fleshed out a little.
- Ask them to include Al-Anon in their treatment plan so their clients might have the added recovery available in Al-Anon.
- Information on how they can find out more.
- Q & A
- Thank you!
